

Spring  
Savings!

Furniture design goes beyond function, aesthetics or quality. A piece of furniture expresses the personality of the customer and the manufacturer. A distinctive feature of Covemore Designs furniture is the fusion of beautiful solid timber, veneer surfaces and fine upholstery, all combining to create a true indulgence for the senses. We are devoted to crafting timeless, stunning and long-lasting products that set the right mood for entertaining, living and working environments.

Being proudly Australian, we draw inspiration from our locality. We provide unique designs that offer practical solutions, giving character to any room. Our comprehensive ranges come in a variety of sizes and finishes, to help you enhance the charisma of any space with ease. No matter how complex or unusual the design requirements might be, Covemore Designs can fulfil your needs by custom building furniture to meet your requirements.

It is now more affordable than ever to enjoy the comfort of Hülsta seating. From August 1 2009 to December 1 2009 is 'Hülsta seating comfort weeks', where all Hülsta leather dining chairs will be selling for the price of fabric.

## hülsta Seating Comfort Weeks!

Correct ergonomics are the basic prerequisite for the design of all Hülsta seating units. What follows is pure aesthetics, timeless forms and harmonious proportions. This coupled by the use of high-quality materials and the possibility of configuring your own individual seat units, means that Hülsta seating will exceed your expectations.

If you are interested in pure elegance, look no further than the D19 chair. Compact and modest, slim and intricate, the D19 chair comes in a number of variations to suit your individual taste and space. for more information visit [www.huelsta.com](http://www.huelsta.com)
